

JUDGE CONFIRMATION & APPRECIATION LETTER

InfinityX Global Hackathon 2K26

JUDGE NAME SHUBHAM KUMBHALKAR	DESIGNATION / TITLE SDE II
ORGANIZATION / COMPANY AMAZON	ISSUE DATE 05.10.2026

Dear Shubham,

We are pleased to officially recognize your contribution as a **Judge / Technical Evaluator** for **InfinityX Global Hackathon 2K26**, a global online hackathon organized by Innovation Hacks in collaboration with Shree Venkateshwara Hi-Tech Engineering College (SVHEC).

Your professional experience and technical expertise contributed valuable perspective to the evaluation of innovative projects submitted by participants from around the world.

As a member of the judging panel, you reviewed eligible project submissions and evaluated them according to the official judging criteria and rubric of the hackathon. Your evaluation contributed to a fair and meaningful selection process for the participating innovators.

JUDGING CRITERIA

1 Innovation & Creativity

How original, creative, and innovative is the solution?

2 Technical Implementation

How effectively has the team implemented the proposed solution?

3 Real-World Impact

How effectively does the project address a meaningful real-world problem?

4 User Experience & Design

How usable, intuitive, accessible, and well-designed is the solution?

5 Scalability & Feasibility

Does the solution have realistic potential for adoption, growth, or further development?

6 Presentation & Demo

How clearly and effectively does the team communicate and demonstrate the project?

JUDGE CONTRIBUTION

- Reviewed assigned project submissions objectively and fairly.
- Evaluated projects according to the official judging criteria and rubric.
- Considered innovation, technical implementation, usability, impact, feasibility, and presentation.
- Provided scores and feedback as required.
- Maintained confidentiality of judging information and project submissions.
